The Future Of City Living Comes Rising In The West

Go from live, work, & play to leisure, wander, & pursuits

Connecting The West To The Rest

Enjoy greatly enhanced connectivity with the completion of the upcoming Jurong Region Line (JRL) & Cross Island Line (CRL), enabling seamless travel further West and across the city.

The Largest Outer City Business District

Set to be the future of truly integrated city life, the Jurong Lake District will see over 120ha of new developments in the next 3 decades, with 100,000 jobs projected by 2040-2050.

An Advanced Industrial & Innovation Hub

Spread over 600ha & poised as Asia's leading advanced manufacturing hub, the best & brightest have laid down roots in the Jurong Innovation District – creating a projected 95,000 jobs.

Well-Served With Two Worlds Of Comforts

Together with existing conveniences in present-day Bukit Batok, another world of choices await you in future Tengah town. Just a few minutes' walk away, Singapore's newest housing estate – and its most advanced yet – will bring forth a new abundance of residential comforts & amenities.

Creating A Brighter, Better Home For All

Fostering A Thriving Lifestyle
Through Sustainable Practices

Cool & Comforting Ventilation

Altura's architectural design artfully reduces solar heat gain. Kitchens, bathrooms, & common areas are open to ample natural air for cool, breezy everyday.

Energy & Environmental Efficiency

Energy efficient air-con systems are used throughout the development, together with LED fittings, motion sensors & consumption-saving lift systems.

Serviced With Solar Power

Installed on the development roof tops, solar panels offset the power consumption of communal areas & amenities, achieving cost savings.

Conserve Whilst You Consume

All apartments are equipped with fittings that aid in reduction of water wastage.

Nurtured With Nature

Seamless access to open, natural spaces & communal areas with conscious greenscaping of diverse flora provides a home environment for total well-being.

Commute With Eco Ease

Greener, healthier daily routines are effortless, with allotted EV chargers & bicycle lots.
